REPUBLICAN RIVER DATA

Dear Mr. Koester,

As per your request, I am providing you with a disc which has 2001 – 2003 data on all irrigation wells served by electricity in our service territory located south of the Platte River. The data is in an Excel spreadsheet.

Maps of the area and which provide locations of the wells is also being sent separately.

I have enclosed an index which explains the irrigation system and water source codes in the spreadsheet.

If you have any further questions, feel free to contact me.

Sincerely,
